United Way Hastings & Prince Edward Celebrates Campaign Wrap Up with GH Manufacturing.

Hastings & Prince Edward Counties, ON: United Way Hastings and Prince Edward was excited to receive a donation of \$25,000 today from GH Manufacturing Inc., marking a combined gift to the community of upwards of \$250,000 since 2008.

Günther Huettlin, President of GH Manufacturing Inc., and his team, recognize the importance of donating locally, as the need is high here in the community. United Way staff and board members were on hand to present a special plaque to commemorate this milestone, and to personally thank the team who works year around for the community, holding fundraising events, and taking part in activities to

support their contribution. Kathy Murphy, ED of United Way HPE thanked Mr. Huettlin and the team at today's presentation: "This is a company with a very big heart. We are so pleased to recognize this most generous milestone, and we thank you on behalf of the many who need support and services during what is a hard time of year for those who have little."

About United Way Hastings & Prince Edward

United Way Hastings & Prince Edward provides leadership in a collaborative manner with our Funded Agencies and others to increase the capacity of our community to respond to human services needs. Supporting 1 in 3 people in our local community through the 37 agencies and over 75 programs we help fund. We believe our community is a great place to work, live and play because all citizens, through the caring and generosity of its members, have equal opportunities and access to human services and development.
