A CONFERENCE FOR THE NONPROFIT SECTOR

The Impact Exchange is a premier professional development conference for the nonprofit sector, designed to bring big-city learning and sector-leading expertise to Hastings and Prince Edward counties. By creating access to high-quality training, collaboration, and leadership development close to home, the conference strengthens the people and organizations working at the heart of our community

# the impactexchange

**October 28<sup>th</sup>, 2026**

**The Core - 223 Pinnacle Street, Belleville**

## The Need

Many non-profits in our region are small to mid-sized grassroots organizations who often face barriers in accessing professional development only available in larger, urban centres.

## The Mission

- To strengthen the capacity of non-profit organizations across our region by bringing high-quality, professional learning, closer to home.
- 150+ anticipated attendees sharing ideas, attending workshops, keynote presentations, vendor opportunities, and more!
